

The Royal College of Pathologists

Pathology: the science behind the cure

Deadlines for additional attempt requests

Please note that processing an additional attempt request takes around 8 weeks, so late applications cannot be accepted. Candidates will also need to submit a separate exam application in the normal way.

Autumn 2022

There will be two opportunities for Council to consider additional attempt requests for the Autumn 2022 examinations.

28 April 2022: requests must be received by the Exams Department by Thursday 3 March.

8 September 2022: requests must be received by the Exams Department by Thursday 14 July.

Spring 2023

There will be two opportunities for Council to consider additional attempt requests for the Spring 2023 examinations.

17 November 2022: requests must be received by the Exams Department by Thursday 22 September.

February 2023: requests must be received by the Exams Department by Thursday 8 December.

Please see the [College Calendar](#) for future Council meeting dates.
