

## Educational Update

Friday 8 November 2024

9:45am-12:00pm

### Aims and objectives

The main aim of this annual remotely-held meeting (Zoom webinar) is to provide an 'Educational Update' on training and assessment and examinations. There will also be an update on the Pathology Portal.

This year's theme is **Reasonable adjustments**. The keynote speaker is Professor Kim Piper, Professor of Oral and Maxillofacial at Kings College London.

This meeting is relevant to all those involved in the delivery of pathology training – including trainers, assessors, and senior trainees preparing to become consultants.

### Programme

9:30	<b>Meeting opens for logging in – via emailed personalised Zoom webinar joining details</b>

## General information

### Registration

- We look forward to seeing you at this free remotely-held Educational Update event.
- Please book here – [BOOK A PLACE](#)
- Registration will close at 5:00pm on Thursday, 7 November 2024.
- All the talks will be recorded. Attendees will be sent an email notification when the recordings are available to view on the College website.

### Evaluation

A QR Code will be displayed towards the end of the meeting for delegates to submit their feedback. This will also be followed up by a link to the evaluation form as an alternative for providing feedback.

### Continuing Professional Development (CPD)

You may claim a maximum of **2 CPD credits** in the professional category for full attendance at this meeting. A list of attendee names will be retained as per Zoom records and CPD certificates will be sent via email. Participation in this event will provide supporting evidence towards meeting the GMC standards for ongoing Trainer recognition.
