

## Virtual [Pathology Pub Quiz](#) Hosts 2023

The 2023 Pathology Pub Quiz Hosts: Haematology registrar, Dr Mahesh Sharma (left) and specialist registrar in infectious diseases and microbiology, Dr Isobel Ramsay (right).

### **Dr Mahesh Sharma**

I'm Mahesh I graduated from Kings College London (Medicine) & then worked in a variety of hospital jobs including a year in Melbourne, Australia. I am now working as a haematology registrar. I have also previously completed a research degree & am working on a distance learning degree in Physics (BSc, year 3). I enjoy travelling and playing sports (particularly football).

### **Dr Isobel Ramsay**

Isobel is a specialist registrar in Infectious diseases and Microbiology in her penultimate year of training at Addenbrookes hospital in Cambridge. She has a keen interest in research and is currently out of programme, studying for a PhD on antibody responses to SARS CoV-2. She is the medical microbiology trainee representative to the RCPATH trainees advisory committee and is particularly interested in postgraduate assessment.
